

CELEBRATING THE LONG-
STANDING COMMITMENT TO EX-
CELLENCE OF THE NAVAL SUR-
FACE WARFARE CENTER CRANE
DIVISION

HON. JACKIE WALORSKI

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 28, 2016

Mrs. WALORSKI. Mr. Speaker, I rise today to recognize the active duty military and civilian employees at the Naval Surface Warfare Center Crane Division as they celebrate their 75th anniversary and the 241st birthday of the United States Navy.

Located at Naval Support Activity Crane in Indiana, the Naval Surface Warfare Center Crane Division supports the shore command of the U.S. Navy and provides engineering services for electronic systems and electronic, strategic, and special warfare weapons. These systems and weapons have proven to be critical to the success and high performance of the Navy over NSWC Crane's 75 years of service.

American Naval supremacy and military readiness depends on the ability to harness the power of the cutting-edge technologies that NSWC Crane supports. Because of these hardworking employees and military personnel, the exceptional men and women of our Armed Forces are well-equipped to defend our nation and support our allies across the globe.

NSWC Crane, which is located on the third largest naval installation in the world, is an important contributor to the Indiana economy. The base employs over 5,000 civilian personnel and is an engine of the Indiana economy that provides secure jobs to Hoosiers who work every day knowing the vital role they play in the defense of the nation. Moreover, it is one of Indiana's largest high-tech employers, with over 2,000 scientists, engineers, and technicians.

This organization is committed to excellence and continues to promote patriotism, honor, and strong national security. Their continued devotion to our service members and our country should serve as an honorable example for all Hoosiers.

On behalf of all Hoosiers, I am honored to celebrate the Naval Surface Warfare Center Crane Division's 75th anniversary and the U.S. Navy's 241st birthday. Lastly, I would like to recognize the important work of the men and women at NSWC Crane, and wish them continued success and growth in the years ahead.

TAIWAN'S NATIONAL DAY

HON. LUKE MESSER

OF INDIANA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 28, 2016

Mr. MESSER. Mr. Speaker, October 10, 2016 is Taiwan's National Day, marking the founding of the Republic of China 105 years ago. I rise today to congratulate the people of Taiwan on this important occasion.

I've had the opportunity to visit Taiwan in the past. The country's evolution into a free society that espouses the values of free elections, human rights, free markets, and the rule of law is a significant one in which the United States has played an important role. Taiwan remains a great friend and strategic ally to the United States.

Beginning with passage of the Taiwan Relations Act, Congress has been at the forefront of bilateral relations with the island nation, playing a key part in ensuring Taiwan's military needs are addressed and assisting Taiwan with its democratic and economic development.

That cooperation continues today. Congress has played a critical role in assisting Taiwan's participation in the World Health Assembly and facilitating its entrance into the Visa Waiver Program. Most recently, through the assistance of the United States, Taiwan was granted observer status in Interpol.

As a member of the Asia Pacific Economic Forum and World Trade Organization, Taiwan is an important trading partner and export market for the United States in almost every major sector. It is our ninth largest trading partner overall, and the sixth largest international market for U.S. agricultural products. Taiwan has been a full participant in trade negotiations and initiatives, devoting a great amount of effort to multilateral trade and investment activities, working to ensure that any trade agreements are both free and fair.

Given its economic strength and dedication to global trade and investment, Taiwan should be given fair and equal treatment when considering future U.S. partnerships and trade deals. As we continue to discuss the merits of a Trans-Pacific Partnership, we must carefully examine the implications of excluding countries that are not only robust trading partners, but critical geopolitical allies as well. It is my hope that the U.S. Government thoughtfully consider all these relevant factors and allow them to inform our path forward in an evolving landscape of international trade.

I look forward to the continued collaboration with Taiwan in the months and years ahead as we continue to enhance our bilateral security, economic, and trade relations.

HONORING LEVI LEIPHEIMER'S
GRANFONDO

HON. MIKE THOMPSON

OF CALIFORNIA

IN THE HOUSE OF REPRESENTATIVES

Wednesday, September 28, 2016

Mr. THOMPSON of California. Mr. Speaker, I rise today to honor Levi Leipheimer for his work to create the GranFondo cycling event, taking place this year on October 1, 2016, which has enjoyed great success in the cycling community and has raised funds to support many local charitable organizations in our community.

Mr. Leipheimer led an impressive cycling career from 1997 until his retirement in May 2013. His accomplishments include three Amgen Tour of California victories from 2007 to 2009 and a bronze medal at the Beijing 2008 Summer Olympics in the road time trial.

Mr. Leipheimer later finished as the Tour de France Stage 4 winner in 2009 and won the Tour de Suisse in 2011.

Mr. Leipheimer began "Levi's GranFondo" in 2009 to welcome cyclists of all ability levels from around the world to our community and to raise funds for important local causes. The GranFondo has achieved incredible success under Mr. Leipheimer's leadership, raising nearly \$2 million for philanthropic causes over the past eight years. Furthermore, publications including Red Kite Prayer, Road Bike Action and Outside Online have recognized the GranFondo as one of the best organized cycling events in the world.

The GranFondo has raised nearly \$2 million for the King Ridge Foundation which supports numerous programs that address the needs of at-risk youth in our community. For example, the foundation provides funding to the Forget Me Not Farm and the B-RAD Foundation which teach children and teens team-building and leadership skills through farming and outdoor adventures. The Social Advocates for Youth program, also supported by the foundation, provides housing, counseling and job training to young adults at risk for homelessness.

The King Ridge Foundation also creates opportunities for our young people to become involved in cycling through its 50 Bikes for 50 Kids program, which supplies bikes, helmets and locks to 50 underserved youth in our community each year. The GranFondo has also helped our community in times of need, raising over \$60,000 for the Valley Fire relief efforts in Lake County.

Mr. Speaker, Levi Leipheimer has created an impressive event that provides resources for young people in need. He is a true friend of our community and a good friend of mine. It is therefore, fitting and proper that we honor him here today and recognize the tremendous value of his GranFondo event for our local community.
